

JCCSF Photo Day

Fall Soccer 2009

Photo Day is coming up for all soccer teams. The complete schedule is on the second page of this document. Photo Day can be a bit chaotic so we ask parents to help us with some of the logistics. Please continue reading so you can help us to make this a smooth and successful day.

Some teams will have their pictures before practice and some after. Whenever possible we have done our best to avoid pictures during practice time but due to a number of factors this is not always possible.

- All players should wear their team uniform to practice on Photo Day.
- All players should come with a completed picture order form. Please **do not** give your forms to your coach. Give all forms directly to the photographer or photographer's assistant. Order forms can be downloaded at http://www.jccsf.org/pdf/youth_sports/Photo.Order.Form.pdf.
- If a player does not have a completed order form, they should still have their picture taken. Packages can always be ordered at a later date.
- Teams taking pictures **before** practice will take individual pictures first and then the team photo once the whole team arrives.
- Teams taking pictures **after** practice will take the team photo first and the individual photos after, so players can leave once their picture has been taken.

All photo packages will be delivered directly to your homes near the end of the season. Postage is included in the price for all photo packages.

Please be sure to include your home address on the form.

JCCSF SOCCER PHOTO SCHEDULE
