All teams playing in the Micro Soccer league have a six game season, with no teams playing on Oct. 10 due to various activities in the city and limited field space. All JCCSF teams are off on October 3 in observance of the Jewish holiday of Sukkot. All JCCSF Micro teams will participate in a soccer jamboree in the JCCSF Gym on Saturday, November 14 to make up the game missed on Oct. 3.

The schedules are created by the San Francisco Micro Soccer League, not the JCCSF. Please note that we are unable to make changes to the schedule. We have made scheduling requests to the league based on information from team parents but the league is not always able to accommodate those requests.
