SESSION REGISTRATION & SCHEDULE POLICY

Registration and scheduling are handled online through [My Account on the JCCSF website](#) or by the JCCSF Athletics Department. If you have trouble logging in, you can check out our [FAQs here](#) or contact us at support@jccsf.org or call 415.292.1200.

Session fees are based on seven (7) class offerings within the session.

Start Week: 3/25/2024

End Week: 5/13/2024

- Tuesday classes will end on the week of 5/21/2024

Minimum enrollment for any class session is six (6) students. If a particular class session falls below that number, the JCCSF reserves the right to cancel that class session. All reasonable attempts will be made to find another class session for your child.

All sports coaches are trained by experienced athletics professionals with a constant and proven teaching model. Each instructor teaches skills by appropriate age and relative skill level. We make every effort to maintain a consistent staff schedule, but there are various factors that will result in instructor changes or occasional substitute instructors. Thank you for your understanding.

All class participants must complete a JCCSF Youth Activities Consent and Release of Liability Waiver before participating in their first class. This form is available through your account on [My Account](#) and is valid for one year from the time of confirmation via registration.

WAITLIST POLICY

Waitlists will be available for all classes. Additional spaces will be determined based on demand and Athletics Department resources.

Waitlisted families will be notified by email as spaces become available.

Acceptance of a waitlisted spot is required within 24 hours.

If no reply is received within 24 hours, the spot will be offered to the next family on our waitlist.
